INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF ACM GOLD (PRIVATE) LIMITED ON THE AUDIT OF THE FINANCIAL STATEMENTS

Opinion

We have audited the annexed financial statements of **ACM Gold (Private) Limited** which comprise the statement of financial position as at June 30, 2025, and the statement of profit or loss and other comprehensive income, the statement of cash flows, the statement of changes in equity, for the year then ended, and notes to the financial statements, including material accounting policy information and other explanatory information, and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion and to the best of our information and according to the explanations given to us, the statement of financial position, the statement of profit or loss and other comprehensive income, the statement of cash flows and the statement of changes in equity together with the notes forming part thereof conform with the accounting and reporting standards as applicable in Pakistan and give the information required by the Companies Act, 2017 (XIX of 2017), in the manner so required and respectively give a true and fair view of the state of the Company's affairs as at June 30, 2025, and of the profit and other comprehensive income, the changes in equity and its cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Statements and Auditors' Report Thereon

Management is responsible for the other information. The other information comprises the Directors' Report but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Companies Act, 2017(XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.

REANDA

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion:

a) proper books of account have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);

b) the statement of financial position, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;

c) investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Company's business; and

d) no zakat is deductible at source under the Zakat and Ushr Ordinance, 1980.

e) The Company was in compliance with the relevant requirements of the Futures Brokers (Licensing and Operations Regulations), 2018, as at the date on which the statement of financial position was prepared.

The engagement partner on the audit resulting in this independent auditor's report is **Mohammad Iqbal**.

1 LEGAL STATUS AND NATURE OF BUSINESS

ACM Gold (Private) Limited was incorporated in Pakistan as a private limited company on June 30, 2009 under the repealed Companies Ordinance, 1984 (now the Companies Act, 2017). The registered office of the Company is situated at Office no. 01, 2nd floor, G - 21/22, Scheme 05, Block 08, Clifton, Karachi. The Company's principal business is trading and brokerage of listed commodities, underwriting and making other investments. The Company is a corporate member of Pakistan Mercantile Exchange Limited.

2 BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards, as applicable in Pakistan. Accounting and reporting standards applicable in Pakistan comprise of International Financial Reporting Standards for Small and Medium Sized Entities issued by the International Accounting Standards Board (IASB) (here-in-after referred to as the IFRS for SMEs) as notified under the Companies Act, 2017 (the Act) and provisions of and directives issued under the Act. Where provisions of and directives issued under the Act differ from the IFRS for SMEs, the provisions or directives issued under the Act have been followed.

2.2 Basis of preparation

These financial statements have been prepared under the historical cost convention except as otherwise mentioned in the notes to the financial statements. Further, accrual basis of accounting has been followed except for cash flow statement.

2.3 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Company operates. The financial statements are presented in Pak Rupees, which is the Company's functional currency.

2.4 Critical accounting estimates and judgments

The preparation of financial statements in conformity with approved accounting standards, as applicable in Pakistan, requires management to make judgments, estimates and assumptions that affect the application of policies and the reported amounts of assets, liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgments about the carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Judgments made by management in the application of approved accounting standard as, applicable in Pakistan, that have significant effect on the financial statements and estimates with a significant risk of material judgment in the next year are as follows: -

Property and equipment, investment property and intangible assets
The Company's management determines the estimated useful lives and related depreciation and amortization charge for its non current assets. This also includes estimating the residual values and depreciable lives. Further, the Company reviews the value of the assets for possible impairment on an annual basis. Any change in the estimates in future years might affect the carrying amounts of the respective items of fixed assets and intangible assets with a corresponding affect on the depreciation / amortization charge and impairment.

Commission, loans and other receivables
The Company reviews its receivables against any provision required for any doubtful balances on an on-going basis. The provision is made while taking into consideration expected recoveries, if any.

Income taxes
In making the estimates for income taxes currently payable by the Company, the management looks at the current income tax law and the decisions of appellate authorities on certain issues in the past.

3 MATERIAL ACCOUNTING POLICY INFORMATION

3.1 Property and equipment

These are initially recognized at cost. Subsequent to initial recognition these are measured at cost less accumulated depreciation and impairment losses, if any. Cost includes expenditures that are directly attributable to the acquisition of the asset.

Depreciation on fixed assets is charged to income by applying straight line method at the rates specified in the relevant note. Depreciation is charged from the day when the depreciable asset is available for the intended use till the day preceding the day of disposal.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and its cost can be reliably measured. Cost incurred to replace an item of property and equipment is capitalized and the asset so replaced is retired from use and its carrying amount is derecognized. Normal repairs and maintenance are charged to the statement of profit or loss during the period in which they are incurred.

Gains and losses on disposal of assets, if any, are taken to the statement of profit or loss.

The carrying values of fixed assets are reviewed for impairment when event or changes in circumstances indicate that the carrying value may not be recoverable. If any such indication exists and where the carrying values exceed the estimated recoverable amount, the assets are written down to their recoverable amount.

3.2 Intangible assets

An intangible asset is recognized as an asset it is probable that future economic benefits attributable to the asset will flow to the entity and the cost of such asset can be measured reliably.

3.2.1 Trading license

It is stated at cost less impairment, if any. It is not amortized due to the fact that it has an indefinite useful life which cannot be ascertained as it is unknown that how long the Company will hold the license. The carrying amount is reviewed at each reporting date to assess whether it is in excess of its recoverable amount, which is taken as higher of fair value less cost to sell and value in use. where the carrying value exceeds the recoverable amount, it is written down to its recoverable amount.

3.2.2 Computer software

These are initially stated at cost. Subsequent to initial recognition these are measured at cost less accumulated amortization and impairment losses, if any.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the asset will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance expenses are charged to profit or loss during the financial year in which they are incurred.

Amortization on computer software is charged to income by applying the straight line method at the rates specified in the relevant note. Amortization is charged from the day when the asset is available for the intended use till the day preceding the day of derecognition.

Intangible assets are assessed for impairment whenever there is an indication that the same are impaired. Costs associated with maintaining assets are recognized as an expense in the period in which these are incurred. Gains and losses on disposal, if any, of assets are included in income currently.

3.3 Investment property

Investment property is the property held either to earn rental income or for capital appreciation or for both, but not for sale in the ordinary course of business, use in supply of services or for administrative purpose.

Land which is held for rate appreciation is classified under investment property. It is carried at its respective cost, under the cost model less accumulated impairment losses, if any.

The carrying values of investment property are reviewed for impairment when event or changes in circumstances indicate that the carrying value may not be recoverable. If any such indication exists and where the carrying values exceed the estimated recoverable amount, the assets are written down to their recoverable amount.

3.4 Deposits

These are carried at the amount originally paid, which is the fair value of the consideration to be received / adjusted in future.

3.5 Commission and other receivables

Commission and other receivable are carried at original invoice amount less provision made for doubtful receivables based on a review of all outstanding amounts of the year end. Receivable considered irrecoverable are written off to the profit or loss.

3.6 Loans and prepayment

Loans are stated at the amounts originally disbursed. Provision is made for the loans considered doubtful. Balance considered irrecoverable are written off.

Prepayments are carried at nominal amounts which is the value to be adjusted in future.

3.7 *Financial instruments*

All financial assets and liabilities are recognized at the time when the company become the party to the contractual provisions of the instruments. These are initially measured at cost which is the fair value of the consideration agreed upon and subsequently measured at fair value or amortized cost as the case may be. The Company derecognizes the financial assets and financial liabilities when it ceases to be a party to such contractual provisions of the instruments. Any gain or loss on the recognition or derecognition of financial assets and liabilities is taken to the statement of profit or loss.

3.8 *Offsetting of financial assets and financial liabilities*

Financial asset and financial liability is set off and the net amount is reported in the statement of financial position if the Company has a legal right to set off the transaction and also intends either to settle on a net basis or to realize the asset and settle the liability simultaneously. Corresponding income on assets and charge on liability is also offset.

3.9 *Cash and cash equivalents*

Cash and cash equivalents are carried in the statement of financial position at cost. For the purpose of the cash flow statement, cash and cash equivalents comprise of bank balance in current accounts.

3.10 *Accrued and other payables*

These are carried at cost, which is the fair value of the consideration to be paid in the future for the goods and / or services received, whether or not billed to the Company. Liabilities are written back and recognized as other income when these are considered to be no longer payable.

3.11 *Borrowing cost*

Borrowing cost are recognized as an expense in the statement of profit or loss in the period in which these are incurred.

3.12 *Levies and taxation*

Taxation comprises of current and deferred tax. It is recognized in the profit or loss, except to the extent that it relates to the items recognized directly in other comprehensive income or in equity, in which case it is recognized there.

Current tax and levies

Income tax expense for the year, determined in accordance with the Income Tax Ordinance, 2001, is recognized as current to the extent it is based on taxable income at the current rate of taxation after taking into account tax credit available, if any. Any excess, representing tax determined on the basis other than taxable income, e.g. taxes under FTR / MTR regime, ACT, etc., are recognized as an expense and termed as levies in the profit or loss.

However, if the tax expense is determined on the basis of minimum tax on turnover or ACT, while the management expects that the available credit may not be realizable / adjustable in future tax years, then the tax expense determined on the basis of minimum tax or ACT, will be recognized as the levy in the profit or loss.

Deferred

Deferred income tax is provided using the liability method for all temporary differences at the balance sheet date between tax base of assets and liabilities and their carrying amounts for financial reporting purposes. The amount of deferred tax provided is based on the expected manner of realization or the settlement of the carrying amounts of assets and liabilities, using the tax rates enacted or substantively enacted at the reporting date.

Deferred tax asset is recognized for all deductible temporary differences and carry forward of unused tax losses, if any, to the extent that it is probable that taxable profit for the foreseeable future will be available against which such temporary differences and tax losses can be utilized.

3.13 Revenue recognition

Revenue from brokerage services

- The Company follows trade date accounting for recording its transactions. Brokerage commission is recorded when brokerage services have been rendered to the customer and it is probable that the economic benefits associated with the transaction will flow to the entity.

Other income

- Profit on margin deposits with PMEX is recognized on a time proportionate basis at the applicable effective interest rate.

- Gain on sale of fixed assets is recorded when title is transferred in favor of the transferee.

- Gain / (loss) arising on disposal of investments or redemption of mutual fund units are recognized in profit or loss on the date when the transaction takes place.

- Other income is recognized on occurrence of transactions on accrual basis.

From the Director	16.1	**-**	8,641,013

16.1 This represents a loan obtained from the Director of the Company, which was unsecured, interest-free, and repayable on demand. The loan was utilized for working capital and investment activities. During the year, the loan was fully settled through the sale of plots to the Company, as disclosed in Note 6.1.

17 CONTINGENCIES AND COMMITMENTS

17.1 Contingencies

During the financial year 2016, one of the clients of the Company, Mr. Abdur Rahman (the client), fraudulently and with malafide intention, portrayed himself as an agent of the Company and induced general public (investors) for investments in the commodity market. He collected funds from the investors on the name of the Company and directly deposited into the bank account of the Company, without disclosing the investors, amounting to Rs. 72.3 million, out of which 59.8 million were forwarded to PMEX by the Company, on his name for facilitating his commodity trading, while the remaining amount of Rs. 12.5 million was not forwarded to PMEX owing to his suspicious source of funds and trading patterns, which he did not disclose to the Company. The Company returned Rs. 11.5 million to him after he submitted affidavits from his investors while Rs. 1 million were held by the Company in its bank account, which were subsequently forwarded to the NAB.

In May 2017, he absconded himself with the public money, (however, he was subsequently arrested in financial year 2020), after which his investors filed complaints with the NAB and the SECP, against him, the Company and his other accomplices. Total amount of claim lodged with the NAB is Rs. 402.202 million and with the SECP, it is Rs. 369 million, however, the Company is exposed to the extent of Rs. 72.3 million as discussed above.

Inquiry and investigation was executed by the NAB, however, the Company clarified its position after which NAB filed the reference with the Accountability Court on October 14, 2020, only against the client and not against the Company.

Further, the SECP also initiated its enquiry against the Company, after which Rs. 7.741 million, available in the trading account of the client, were freezed by the SECP. Show cause notice was sent to the Company dated July 9, 2019, against which the Company clarified its position with documentary evidences and proofs, however, on April 6, 2021, the SECP passed its Order against the Company and imposed Rs. 50 million penalty, payable within one month of the Order, while it also cancelled the trading license of the Company with immediate effect, after which the trading right of the Company was suspended by the PMEX upon receipt of the notice from the SECP.

However, aggrieved by the impugned Order of the Commissioner SECP, the Company immediately filed a Suit no. 880 of 2021, in the Honorable High Court of Sindh, against the SECP, its Commissioner, PMEX and the absconder, praying that the impugned Order may be set aside. The Suit is currently in its initial stage of hearing till the issuance of these financial statements, however, the SHC granted stay on April 9, 2021, only to the extent of restoration of the trading license of the Company, after which the operations of the Company were restored, however, the penalty was still payable by the Company.

On April 12, 2021, the SHC also added that instead of paying the penalty in cash, guarantee may be submitted to the SECP amounting to Rs. 50 million. However, the Company is facing practical difficulties in arranging the guarantee from the financial institutions due to financial constraints.

Further, the Company filed an appeal no. 70 of 2021, against the Commissioner SECP, with the Appellate Bench Registry of the SECP, praying that the impugned Order may be set aside. The appeal is currently at hearing stage, however, the legal advisor of the Company expects favorable outcome of the appeal and the Suit, therefore, no provision has been made in these financial statements for the penalty.

17.2 Commitments

There are no commitments binding on the Company as on the reporting date.

21 OTHER CHARGES

	Note	2025 Rupees	2024 Rupees
Provision for Sindh Workers Welfare Fund	21.1	**133,703**	20,017

21.1 Provision for Workers' Welfare Fund has been recognized pursuant to the amendments made to the Sindh WWF Act, 2014 during the corresponding period. However, it is pertinent to note that certain companies have already filed suits against the said amendments and, based on this precedent, the Company intends to challenge the said amendments in the Court of Law, for which consultation with legal experts is in progress. Nevertheless, keeping in view the prudence concept, the provision has been recorded in these financial statements.

	Note	2025 Rupees	2024 Rupees
